#### What Is Your Favorite Meal?

Is it a nice, tasty breakfast whose aroma greets you with a faint frizzle of frying bacon, a crackle of golden brown toast, pan-kissed eggs, or a dainty serving of your favorite fish? Perhaps it is a chop done to a turn, or the aesthetic breakfast of grape fruit, cereal and crisp lettuce, or young spring onions, whichever it is you may have every day at

## The Hudson Bay's Elizabethan Room

And add to this, excellent, quiet, unobtrusive service, fair linen, glistening crystal and glittering silver, and the reposeful atmosphere of this well known dining parlor, and you have all the setting of a delicious meal in delightful surroundings. Popular prices, 25c to 50c.

LINTON BROS.

Thronton attents are now clausering for four per cent. here, At a recent meeting up there a resolution was passed adding upon the government to regular the price of alcoholic beverages at true instead of the present they are the control of the present to the present of the price of alcoholic beverages at the control of the price of the price

At this meeting a provisional committee was appointed to proceed with the formation of a league similar to The Moderation League recogify, organized in British Columbia. This shows that the barouseter is veering round to Fair with respect to Beer and Light Winne.

On the desk in front of us we have a copy of the Alms and Objects of the Moderation Leagues of Co. and extend the Co. and considered the Co. and considered the Co. and considered the Co. and considered the Co. and co. and

The Eye Opener will never be found y advocating the sale of spirits in any shape no form or under any government camoning whatever. We print berowith for your information the Aims and Objects referred to and you will notec that No. 6 says:

"Permits to purchase spirits shall be issued to all persons over twenty-one 'years," etc.

issued to all persons over twenty-one years, "etc.

This obviously would make whiskey accessible to everybody as of yore, and we are strongly against it. Beer is our pet idea of a happy compromise, and will remain so.

But read for yourself the Aims and bleets of the Moderation League of stritish Columbia: As formally endorsed and published y authority of the Main Committee, annary 27th, 1919.

event system with regard to bar-.

2. That Government stores for the lee of liquor shall be operated in various axes, and in such numbers as may be excessary in accordance with the requirements of various districts.

3. In such stores liquor shall not be named upon the premises.

and light wires with reasonable limitions to the hours of humanes, and under

tations as to hours of business and under strict control Government; and the strict control Government; and heavy wines subject to the like the subject of the subject to the like the solid only to persona holding a permit 9. Permits to purchase spirits and heavy wines shall be issued to all person vorus Weindysous years sequering the same upon a payment of such small annua free as may be fixed, such resmal to be

sold to any person unless on production of his or her permit.

8. The drinking of intexicating liquors in pulsace shall be strictly prohibited, and y penalties revided in case of preach.

9. Sale of intexicants by any person.

o very severe penalties

10. Drukenness to constitute an flence and to be followed by suspension if the second permit, in addition to any other enalty.

11. The Government to be responsible that all beverages said in Government tores shall be of high and approved tandard, and that the prices shall be

standard, and that the prices shall be reasonable.

The idea of a Moleration Léaguin bad its inception in Vancouver A number of representative men not to-gether and deutled that the prohibition the Land concerning the liquer question. It was realized that a noisy numerity had succeeded because of the agently of the agently of the discovered by the control of the control of the care of the control of the care of

From Vancouver the organisation is spreading in all disciders. The similar of the League is to secure from the Provincial Governments considerable and Productional Governments considerable and state of the state of the second and substitution by mane measure. (Logar and producted, etc.)

Now we have just one piece of advice the second and substitution by the same measure.

Now we have just one piece of adto give the graticone of Variouver's Edmonton who are showed up training, and that is, to have out all tree ence to whickey and strong lique. There is a chance of grating hasks are bebut this characteristic in more an "of all than a "fat" chance in the characteristic of an and whickey is allowed to intrude.

whiskey in the past two years that the vote either way would be a standoff.

By drinking, we notan whitisey drinking. Here drinking in the drinking is not drinking in its objectionable sense. Coone and his its objectionable sense. Coone and his its objection whitise who draw eachies for utilities do not want to see beer and light wines brought on the sense. Bocuse their varieties where the drinking of the cooperation of the presence of these harmings between the drinking would from the drinking would be delivered to the presence of these harmings between the drinking would be delivered to the drinking to the drinking would be delivered to the drinking to the drinking which we have been drinking to the drinking to

The pitiful part of the whole business is the smug hyporrisy of our legislators, two-thirds of whom are bousefighters of the most cheerful variety. They, too, are scared of their jobs. If they could be perfectly as fain their minds that the women-vote would go 50-30 on this question they would throw that old Prohibition Act into the ash can so quickly it would make your head write.

The problem to our, mind is so ridically simple that we stand appalled at the impenetrable stable-tormose of some content of the impenetrable stable-tormose of some contenting for so long as the catabilishment of coay, respectable cases where people can foregather during such and where people can foregather during exchange, ideas, weap jokes and reast smallings, ideas, weap jokes and reast smallings again or our of real hopest-foregather and the content of the conten

No Moderation League is going to inveigle us into saying one solitary word in favor of whiskey under government or any other auspices. It is had medicine.

Now, lifen to this, will you?

Now infen to this, will you?

Now York, or Priday last under the presence of the State Commission. We have been a suppose of the State Commission of the state that the denant for drags had become confricting the amount to each wholesake confined the state of t

Doubtless much of the talk of the Arusdanger as too adarmise, but it stending to the control of the control of the control and patent medicines, such as essence of a canter patent medicines, such as essence of a canter of the control of the control of the talk of the control of the control of the has an awful kick. One Sunday, some seven or eight years ago, we got on hat seven or eight years ago, we got on hat years and the control of the control of the Newy shall we forget that day! Why did we take if the laces ago the bars to

Never shall we forget that day! Why prover shall we forget that day! Why lid we take it? Uh, because the bars prover elosed. It took five Collinates on on the Monday morning to get the taste at of our mouth.

No. Alberta is far from being a dry province. It may be said to be banging on the line to dry, but is still pretty damp.

# A NEW INDUSTRY IN CANADA

#### A Statement from the Board of Directors

A new industry has really been established in Canada with Canadian money under Canadian laws and Canadian

with Canadian money under Canastian laws and Canadian management.

The prefus from the motion picture industry have been seconomous, the turnover so quick, that it has taken time to norman, the turnover so quick, that it has taken time to the continuous the turnover so quick, that it has taken time to the continuous the time of the continuous to give publicity to our country, he expects this work to be done largely by the Grevenment and railroads. But in this new industry we with sound business investment. The character of our shareholders and the amount subscribed in the last three weeks ankes it possible to foresat the success of this company.

One of the largest seets of any motion picture company money but a more difficult think to secure the tories, the star, the director and a manager who knows the trade, and the way to secure the largest returns from pictures.

James Oliver Currocod, the author, is a great writer of the biggest English and American magazines, reaching twenty million readers are an present running in five or six of the biggest English and American magazines, reaching twenty million readers are waiting to see these gripping atories on the screen, and we can exact a price in comparison. In Nell Shipman, our star, we have the greatest outdoor extends the comparison of the screen, and we can exact a price in comparison.

In Nell Shipman, our star, we have the greatest outdoor girl on the screen to-day. A perfect wonder with animals and fearless in carrying out the dangerous situations in Curwood's stories.

Ernest Shipman, the sales manager, has spent a lifetim in the business. Known from coast to coast in Canada and the United States among theater people and exhibitors. He known all the angles of the business and can extract the largest advance and most favorable contracts as a resul of this experience.

Our other great asset is the scenery of this great north-west. It cannot be duplicated in the world. Our pictures made with nature's background have an advertising value as well as an artistic value that will show in the box office.
